

RESOLUTION NO. 2001-211

A RESOLUTION OF THE LODI CITY COUNCIL AUTHORIZING THE CITY
MANAGER TO RENEW THE PUBLIC BENEFITS PROGRAM - LODI AIR
DUCT TESTING & ATTIC INSULATION REBATE PROGRAM (\$125,000)

WHEREAS, the State has mandated that beginning January 1, 1998, the City of Lodi is obligated to fund various programs through a Public Benefits Charge (PBC) based on a historical electric revenue requirement; and

WHEREAS, the requirement amounts to approximately \$1M per year that must be dedicated to qualifying programs such as energy efficiency. A further stipulation is that these efforts must be done on the customer's side of the meter in order to qualify; and

WHEREAS, the City of Lodi's Public Benefits Program is comprised of four segments or customer groups: commercial/industrial, residential, community/non-profit, and municipal; and

WHEREAS, this project is the fourth in a series of projects specifically designed for Lodi residential electric customers. The Lodi Residential Air Duct Testing & Attic Insulation Rebate Project will provide up to a \$250 rebate for duct repair, and up to a \$250 rebate for attic insulation (not to exceed \$600 per service address) when a customer chooses to strengthen existing duct work, and/or enhance the amount of attic insulation in their home, thus, reducing annual heating and cooling costs by a minimum of 15%; and

WHEREAS, other specifics or guidelines of the project include:

- Rebate is only for City of Lodi electric utility customers;
- Rebates are available from September 5, 2001 and until such time as the funds are exhausted;
- Rebates are good for single-family dwellings only (duplexes are acceptable; one per customer service address); and
- Electric Utility staff will be responsible for providing rebates to residential customers.

BE IT RESOLVED, that the Lodi City Council hereby authorizes the City Manager to provide a Public Benefits Program grant in the amount of \$125,000 to fund the Lodi Residential Air Duct Testing & Attic Insulation Rebate Project, specifically designed for Lodi residential electric customers.

Dated: September 5, 2001

I hereby certify that Resolution No. 2001-211 was passed and adopted by the Lodi City Council in a regular meeting held September 5, 2001 by the following vote:
